SUT-US

SUT Fellow Nomination

Membership Regulations:
https://sut-us.org/Become-a-Member/Membership-Regulations

Qualifications for Membership

1. The Council may, subject to the provisions of Article 16(A), elect to Honorary Membership in the class of Fellow, any person who in the opinion of Council is:

(A) a person of distinguished scientific attainments in a branch of science or engineering connected either directly or indirectly with underwater technology;

(B) a person of eminence in the practice, organisation, administration, teaching or research of one or other of the fields of science, engineering or industry connected either directly or indirectly with underwater technology; or

(C) a person of standing who has rendered distinguished services to the Society or to the achievements of its objects.

2. Every candidate eligible for transfer to the Membership Class of Fellow must be proposed by another full Individual Member with two additional seconders, also full Members of the Society. Nominations are to be accompanied by a short citation and background information to enable Council to establish to its satisfaction that he/she:

(A) has attained the age of 33 years and has been an Individual Member or Corporate Member for a minimum continuous period of two years;

(B) has achieved a high reputation in the field of underwater technology;

(C) has been engaged or at least three years in a senior position of responsibility in a branch of underwater technology; and

(D) has identified him/herself with the long term interests of the Society and the achievement of its objectives
