

# 2nd Annual Online Engineering Competition

*"Volunteering to Advance Education in Underwater Technology"*

The Society for Underwater Technology in the U.S. (SUT-US) is hosting a global online engineering competition where the participants will propose a solution to the predefined problem statements in the following categories:

- **Subsea O&G Wells**
- **Submarine Underwater Rescue in Shallow Water**
- **Underwater Thermal Garments**
- **Bring your Own Problem - "BYOP Shark Tank"**

The competition is aimed for:

- 1) college students competing with other college student, graduate and undergraduate students, and
- 2) young professionals with 0 to 3 years of professional experience.
