

# Online Engineering Competition

"Volunteering to Advance Education in Underwater Technology"

[www.sut-us.org](http://www.sut-us.org)

The Society for Underwater Technology in the U.S. (SUT-US) is hosting an online engineering competition for 1) college students competing with other college student, graduate and undergraduate students, and 2) young professionals with 0 to 3 years of professional experience.

The contestants can choose from a diverse selection of problems including:

- Subsea Carbon Capture
- Remote Subsea Power Systems
- Offshore Renewable Energy
- Submarine Underwater Rescue in Shallow Water
- Underwater Thermal Garments

Please join us in hosting this dynamic event by contributing with one of the sponsorships below:
